The Nova Scotia Potters Guild is a non-profit organization, created by potters in 1991 to create a line of communication between those with a common interest in the craft and to advertise special events and opportunities. We publish a newsletter to keep members up to date with Guild activities such as our workshops. This is sent to members by email or regular mail. Meetings are held once or twice a year. The annual membership fee is \$25.00. This includes your name and/or business on our website www.novascotiapottersguild.com, if desired. To submit your section of the website, please send it to our Communicator, Mary Jane Lundy, as noted below. If you wish to share your experiences, skills or ideas through workshops, slide presentations or videos, all proposals are welcome and will be given serious consideration by the Executive. We also welcome any offers to host a Guild meeting or potluck get-together anywhere in the Province. Your participation is essential. Also if you are involved in an exhibition, have attended an exciting workshop or have equipment to buy or sell please send the information to:
